# Free webinar meeting

**WARNING in Surgery**  
**11 December, 2019**

All participants will be able to follow the interactive on-distance meeting via a PC, Mac, tablet or smartphone, and see and hear the speaker(s) thanks to audio and video feeds. No apps are needed. Leveraging on the main functionalities of the platform the participants will be able to interact in real time for all the duration of the event (i.e. sending comments, answering questions, other...). The meeting is free of charge and completely online. All participants will receive the certificate of attendance. To register in the free web meeting you should access to [www.infectionsinsurgery.org](http://www.infectionsinsurgery.org) and fill in the registration form (from 15 september 2019). You will receive an e-mail invitation with instructions.

## POSTERS

We encourage colleagues around the world to submit posters. All posters submitted will be viewed by clicking the "posters" button on the computer screen throughout the duration of the webinar. After the webinar all the posters will be published in the website of the Global Alliance for Infections in Surgery.

The poster will have to be sent via email by November 20, 2019. No more than two (2) total posters per author will be allowed.

- The poster should include title, name of authors, institution, city, country and email address of the corresponding author.
- The poster should be easily readable.
- The language of the poster should be **English**.
- The poster should be saved in PDF format.
- The poster should be sent to:  
[massimosartelli@infectionsinsurgery.org](mailto:massimosartelli@infectionsinsurgery.org)

## PROGRAM

### OPENING OF WEBINAR

**December 11**

**14:15h to 14.30h**

Introduction

**Massimo Sartelli (Italy)**

Human factors and surgical infections

**Giulio Toccafondi (Italy)**

Surgical infections and best practice

**Fausto Catena (Italy)**

### POSTERS SESSION

**December 11**

**14:30h to 15:00h UTC**

Chair (from Rome – Italy)

**Cristian Tranà (Italy)**

From 14:30h to 15:00h UTC the posters session will be hold. The posters selected by the scientific committee will be presented during the posters session. The Authors will have to prepare 5-7 slides summarising the content of the poster. The brief presentation should be timed to not exceed 7 minutes.

**SESSION 1**  
**December 11**  
**15:00h to 17:00h UTC**

Chair (from Rome – Italy)  
**Francesco Cortese (Italy)**

Why IS Academy  
**Federico Coccolini (Italy)**

Antimicrobial resistance and “one health “  
**Leonardo Pagani (Italy)**

How to combat antimicrobial resistance in healthcare. The point of view of the Center for Disease Dynamics, Economics & Policy  
**Geetanjali Kapoor (India)**

Antimicrobial stewardship programs around the world  
**Debbie Goff (USA)**

Healthcare associated infections. What they are and what impact they have  
**Massimo Sartelli (Italy)**

How to prevent surgical site infections  
**Kemal Rasa (Turkey)**

Highlighting the gaps in quantifying the burden of surgical site infections associated with antimicrobial resistant bacteria  
**Katia Iskandar (Lebanon)**

Sepsis and AMR  
**Adam Linder (Sweden)**

Prevention and management of *Clostridium difficile* infection  
**Nicola Petrosillo (Italy)**

**SESSION 2**  
**December 11**  
**17:00h to 19.00h UTC**

Chair (from Rome – Italy)

**Gabriele Sganga (Italy)**

Haemodynamic support of sepsis in surgical patients

**Lewis Kaplan (USA)**

Source control in patients with surgical infections

**Therese Duane (USA)**

Appropriate use of antibiotics in patients with surgical infections

**Robert G Sawyer (USA)**

Management of intra-abdominal infections from a global perspective:

Critical issues around the world:

**Alain Chichom Mefire (Cameroon)**

**Suman Raj Baral (Nepal)**

**Juan Pablo Escalera Antezana (Bolivia)**

**Vladimir Kokha (Belarus)**

Looking for global standards of care in patients with intra-abdominal infections

**Luca Ansaloni (Italy)**

Closed Or Open after source control laparotomy for severe complicated Intra-abdominal infections: Cool Study

**Andrew Kirkpatrick (Canada)**

Who is a champion in preventing and managing infections in surgery

**Joseph Solomkin (USA)**

## FACULTY

Luca Ansaloni (Italy)  
Fausto Catena (Italy)  
Alain Chichom Mefire (Cameroon)  
Federico Coccolini (Italy)  
Francesco Cortese (Italy)  
Therese Duane (USA)  
Juan Pablo Escalera Antezana (Bolivia)  
Debbie Goff (USA)  
Katia Iskandar (Lebanon)  
Adam Linder (Sweden)  
Lewis Kaplan (USA)  
Geetanjali Kapoor (India)  
Andrew Kirkpatrick (Canada)  
Vladimir Kokha (Belarus)  
Addison May (USA)  
Leonardo Pagani (Italy)  
Suman Raj Baral (Nepal)  
Kemal Rasa (Turkey)  
Massimo Sartelli (Italy)  
Robert Sawyer (USA)  
Joseph Solomkin (USA)  
Giulio Toccafondi (Italy)  
Cristian Tranà (Italy)

**The following Organizations support the WARNININSURGERY free webinar meeting:**

**Global Alliance for Infections in Surgery**

**World Society of Emergency Surgery**

**Surgical Infection Society**

**Surgical Infection Society – Europe**

**World Surgical infection Society**

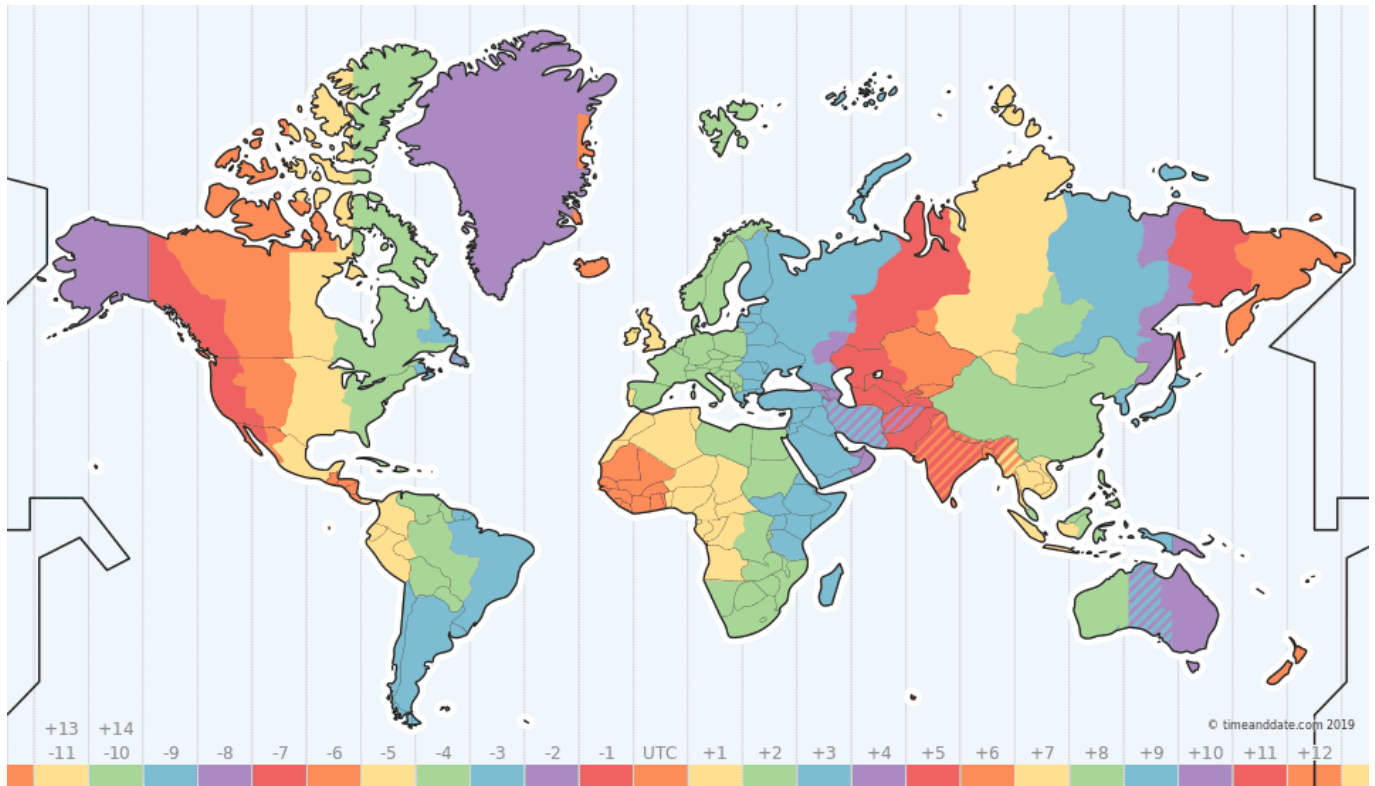

**Global Sepsis Alliance**

**Health First Europe**

**IS Academy**

All participants will be able to follow the interactive on-distance meeting via a PC, Mac, tablet or smartphone, and see and hear the speaker(s) thanks to audio and video feeds. No apps are needed. Leveraging on the main functionalities of the platform the participants will be able to interact in real time for all the duration of the event (i.e. sending comments, answering questions, other...)
